picture *yourself* at your
OWN TAILORMADE VENUE

Tailormade Venues offers private and party nights at both of their North West venues, Davenport Green Hall near Hale Barns and Haslington Hall, Near Nantwich.

Imagine arriving at your private Estate driving up tree lined driveways, surrounded by green fields and being greeted by Historic Jacobean Halls...we will be decorating our estates following a "Winter Wonderland" theme this year. We have a list of dates available throughout the month of December.

Party night dates are available; Friday 4th December, 11th December and the 18th December as well as Saturday 5th December, 12th December and the 19th December. Arrival at 7pm and carriages at 12 midnight.

Private Christmas parties can be Tailormade to your specific requirements so whether you are looking at a traditional Christmas party or you would like to theme the event specifically yourselves then we will be only too happy to help.
